### DISPLACED CAMP CREWS - UPDATE

This morning, I have had further conversations with Director Robert Taylor of the Probation Department regarding the placement of the six Camp 16 California Department of Corrections and Rehabilitation (CDCR) crews. Since he and I will be pursuing other alternatives for these crews, I have directed Fire Department staff to cease the assessment of Camp 8 as a possible site for these crews.

Further, the Fire Department has been contacted today by representatives of the neighborhood located at new Camp 8 so I will work directly with them to announce this decision. I will also advise them of our willingness to meet with them to explain the background of this issue should they desire.

If you have any questions, please call me at (323) 881-2401.
